BONAFIDE INSPECTORS

AFFORDABLE

DETAILED

COMPREHENSIVE REPORTS!

Our Skilled Property Inspection Professionals have the training and experience needed to look for visual signs of defects in your new home. At Bonafide Inspectors we provide you with the highest level of value and quality of service in our industry. We are completely dedicated to the total satisfaction of our clients. Our timely inspections and reports are delivered by highly trained and courteous professionals. We strive to educate our clients using a specific system of comprehensive, on-site review, combined with a easy to read electronic and paper report. The work we do is more than just furnishing a punch list; it's giving you peace of mind!
